Re: Response to Notice of Non-Compliant Amendment
U.S. Application No. 10/009,625
For "POLYPROPYLENE WITH HIGH MELT STRENGTH AND DRAWABILITY"
Our File: 31223 / 81764 (F-755)

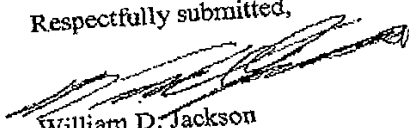

Dear Ms. Scott:

The Group Art Receptionist, and the Examiner, Mr. Nutter, advised that the above-identified application was allowed on October 31, 2003. However, the Notice of Allowance had not yet been mailed, evidently because the replacement Amendment filed August 18, 2003 in response to the Notice of Non-Compliant Amendment dated July 17, 2003, had not been received or had not been matched up with the file. The Office of Initial Examination advised that the replacement Amendment had been received on October 20, 2003 and had been forwarded for review by the Examiner on October 21, 2003.

At this Examiner's suggestion, applicant submits herewith a copy of the Amendment in response to the Notice of Non-Compliant Amendment filed under Certificate of Mailing dated August 18, 2003, together with a copy of the postcard acknowledgment showing receipt on October 20, 2003.

It is respectfully requested that the Notice of Allowance be issued in the above-identified application.

Respectfully submitted,

William D. Jackson
